System Requirements:

To play the game, you'll need a joystick and three buttons. I recommend an analog joypad (one with a stick) and two buttons: one for each arm. So if your joystick has one stick, you'll be fine. If your joystick has a lever, you'll have to remap the buttons. The mouse is ok, but it's not as comfortable. Welcome to the world of Axiom Verge! I'm an independent game developer that lives in Brooklyn. I was born in London, grew up in southern France and moved to New York City for
