GAMETYPE: Set within the sublime traditional valleys of and around the Alps, FIFA and the Community have long been fans of TOURS DE FRANCE. It is a game that has undoubtedly had a profound influence on the original series, being the inspiration for many of the ideas seen to this day; the street passes, the incessant crowds, the delicate scent of the lavender, and the chivalrous nature of the game. TOURS DE FRANCE combines the beauty of the Alps and the charm of Val d’Aosta with the fast action of an exhilarating round-ball sport, perfectly encapsulating the essence of FIFA. CLASSIC MODE The campaign mode of FIFA 19 builds upon the improvements first introduced in FIFA 18, such as a new player class system, and continues to push the limits of what makes FIFA games great. With 19 new Pro Clubs and 220 new players, EA Sports have created more ways than ever to play. New atmospheric stadia such as the Banc d’Ors and the Stade de France will be familiar to everyone, and supporters of the game’s Rugby World Cup version will find plenty of opportunities to cheer on their team. Lastly, the game introduces a new Champions League mode, with tweaks to the UEFA Champions League, this year’s hosted on FIFA 19! FIFA Ultimate Team FIFA Ultimate Team (FUT) is an all-new way to play FIFA Ultimate Club. For the first time ever, the entire game has been built from the ground up to make it easier than ever to play the way you want. Discover and improve new ways to get the ball in the net, score headers, set up a cross, dictate the play and be an all-round attacking force. FIFA 22 allows you to take control with a whole new season of innovation across every mode, including brand new Player Impact Engine mechanics. LEARN MORE MORE Player Impact Engine Packed with exciting new ways to get the ball into the goal, EA SPORTS FIFA 22 also introduces the new Player Impact Engine to bring you closer to the action on the pitch. The Player Impact Engine uses AI to analyse every player and their impact on the outcome of a game and each decision a player makes. PIE allows you to feel the pull of momentum, the change of impact of a run, the influence of a shot and see what a defender is reacting to. There is more to PIE than ever, so you can confidently make moves knowing that the outcome will always be in your favour. A New Season of New Faces FIFA Soccer is all about competition, and every year brings about a fresh set of five-a-side stars to compete against on the pitch. This year is no exception, with the introduction of a host of new players all set to come out of the sticks and make their mark on the game. New Stars With the introduction of new stars comes new kits. FIFA 22 will boast kits that reflect a range of player personalities from around the world. As for the superstars themselves, the likes of Neymar, Kylian Mbappe, Neymar Jr., Kylian Mbappé and Ronaldo are all set to join the ranks of football's elite. New Boots Spend some time with new boots in the game and watch the Football Manager-style boots and customisation options come to life. The sleek new boots reflect the work of designers such as Puma, Reebok and Nike, giving you the chance to experience how players like Neymar and Juan Mata look in real life. Brand New Kicks What about goalkeepers? Good news, they've been revolutionised too. Now players have all the chance to control a goalkeeper, in all the ways you've come to expect. New goalkeeping methods, including the ability to see where shots are coming from, also help to give goal

TOULOUSE CITY HISTORY The city was founded in 1542 on the site of an old native settlement. In 1544, Spanish Captain Juan de Ayala established a new settlement there. The area was first colonized in 1668 by a band of Spanish soldiers sent from Madrid to cleanse the Caribbean coast of British pirates. They named the settlement San Juan de la Florida. In 1765, French merchants from the United States bought the area from Spain. The city was changed to Toul
