February 20, 2019 â€" There have been quite a few adaptations of The Odyssey in the past, but today I'm watching a 1997 miniseries that aired on NBC. Homer's Odyssey is a long saga that tells of the journey of the Greek hero, King of Ithaca, across the Mediterranean to the continent. I don't remember the name of this show, but it was starring Michael J Fox, who I know from Charmed. He plays a Greek king who is also his own father. And while the TV series is about six hours long, I'm not sure if it can be watched online.
